Profile

Daniel Wyatt approaches his profession with a blend of empathy and analytical acumen. As a client-centered advocate, Daniel's mission is to assist individuals and families in navigating the intricate world of trust and estate matters. He focuses his practice on all aspects of estate planning, from helping clients prepare necessary documents to wealth preservation, succession planning, asset protection and charitable gift planning.

Daniel adopts an open and compassionate approach to the practice of law, building strong relationships with his clients, and taking the time to understand their unique objectives. He empowers his clients to make well-informed decisions, fostering a sense of confidence in their estate planning journey. His personal experiences highlighting the importance of proper estate planning inspired his commitment to help other families from all financial backgrounds benefit from well-executed estate plans.

With sharp analytical thinking skills, Daniel excels at breaking down complex legal matters into manageable solutions. He anticipates potential obstacles, evaluates risks, and delivers well-informed counsel to meet each client's unique needs.

Education

Brigham Young University (B.A., 2020)
The George Washington University Law School (J.D., 2023)

More

When not working, Daniel enjoys cooking, reading, and watching movies.
